

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF OHIO
EASTERN DIVISION

UNITED STATES OF AMERICA

vs.

Criminal Action 2:21-cr-255 (2)
JUDGE MICHAEL H. WATSON

MARIO A. SYDNOR, SR.

REPORT AND RECOMMENDATION

Defendant Mario A. Sydnor, Sr., previously pleaded not guilty to a *Superseding Indictment*, ECF No. 28, charging him with conspiracy to possess with intent to distribute quantities of various controlled substances in violation of 21 U.S.C. § 846 (Count 1), possession with intent to distribute a mixture or substance containing a detectable amount of methamphetamine and a mixture or substance containing a detectable amount of fentanyl in violation of 21 U.S.C. § 841 (Count 7), and being a felon in possession of firearms in violation of 18 U.S.C. §§ 922(g)(1), 924(a) (Count 11). The United States and defendant thereafter entered into a *Plea Agreement*, ECF No. 223, executed pursuant to the provisions of Fed. R. Crim. P. 11(c)(1)(C), whereby defendant agreed to plead guilty to the conspiracy charge in Count 1 of the *Superseding Indictment*.¹ On April 24, 2024, defendant personally appeared with his counsel for a change of plea proceeding.

Defendant consented, pursuant to 28 U.S.C. §636(b)(3), to enter a guilty plea before a Magistrate Judge. See *United States v. Cukaj*, 25 Fed. Appx. 290, 291 (6th Cir. 2001) (Magistrate Judge may accept a guilty

¹ In addition to specifying a term of imprisonment, the *Plea Agreement* includes an appellate waiver provision that preserves only certain claims for appeal, collateral challenge, or motion for reduction of sentence. Under the *Plea Agreement*, defendant also agreed to the forfeiture provision contained in the *Superseding Indictment* and to abandon all interest in other specified items.

plea with the express consent of the defendant and where no objection to the report and recommendation is filed).

During the plea proceeding, the undersigned observed the appearance and responsiveness of defendant in answering questions. Based on that observation, the undersigned is satisfied that, at the time he entered his guilty plea, defendant was in full possession of his faculties, was not suffering from any apparent physical or mental illness, and was not under the influence of narcotics, other drugs, or alcohol.

Prior to accepting defendant's plea, the undersigned addressed defendant personally and in open court and determined his competence to plead. Based on the observations of the undersigned, defendant understands the nature and meaning of the charges in the *Superseding Indictment* and the consequences of his plea of guilty to Count 1. Defendant was also addressed personally and in open court and advised of each of the rights referred to in Rule 11 of the Federal Rules of Criminal Procedure.

Having engaged in the colloquy required by Rule 11, the Court concludes that defendant's plea is voluntary. Defendant acknowledged that the *Plea Agreement* signed by him, his attorney, and the attorney for the United States and filed on April 11, 2024, represents the only promises made by anyone regarding the charges against him in the *Superseding Indictment*. Defendant was advised that the District Judge may accept or reject the *Plea Agreement*. Defendant was further advised that, if the District Judge rejects the *Plea Agreement*, defendant will have the opportunity to withdraw his guilty plea but that, if he does not withdraw his guilty plea under those circumstances, the District Judge may impose a sentence that is more severe than the sentence contemplated in the *Plea Agreement*, up to the statutory maximum.

Defendant confirmed the accuracy of the statement of facts supporting the charge, which is attached to the *Plea Agreement*. He confirmed that he is pleading guilty to Count 1 of the *Superseding*

Indictment because he is in fact guilty of that crime. The Court concludes that there is a factual basis for the plea.

The Court concludes that defendant's plea of guilty to Count 1 of the *Superseding Indictment* is knowingly and voluntarily made with understanding of the nature and meaning of the charges and of the consequences of the plea.

It is therefore **RECOMMENDED** that defendant's guilty plea to Count 1 of the *Superseding Indictment* be accepted. Decision on acceptance or rejection of the *Plea Agreement* was deferred for consideration by the District Judge after the preparation of a presentence investigation report.

In accordance with S.D. Ohio Crim. R. 32.1, and as expressly agreed to by defendant through counsel, a written presentence investigation report will be prepared by the United States Probation Office. Defendant will be asked to provide information; defendant's attorney may be present if defendant so wishes. Objections to the presentence report must be made in accordance with the rules of this Court.

If any party seeks review by the District Judge of this *Report and Recommendation*, that party may, within fourteen (14) days, file and serve on all parties objections to the *Report and Recommendation*, specifically designating this *Report and Recommendation*, and the part thereof in question, as well as the basis for objection thereto. 28 U.S.C. §636(b)(1); F.R. Civ. P. 72(b). Response to objections must be filed within fourteen (14) days after being served with a copy thereof. F.R. Civ. P. 72(b).

The parties are specifically advised that failure to object to the *Report and Recommendation* will result in the forfeiture of the right to *de novo* review by the District Judge and of the right to appeal the decision of the District Court adopting the *Report and Recommendation*. See *United States v. Wandahsega*, 924 F.3d 868, 878 (6th Cir. 2019); *Thomas v. Arn*, 474 U.S. 140 (1985).
